

**As part of its Research Excellence and
Opportunity Series,
the Office of Research Presents:**

BEST PRACTICES IN RESEARCH MENTORING

Panelists Will:

01

focus on best practices for mentoring within the world of research

02

share their experience as mentors to students, faculty, and/or research staff

03

discuss key aspects of effective mentorship centered on supporting mentees and helping them thrive

Moderated by Dr. Myriam Huet

Assistant Vice President for Research, Excellence and Opportunity, Office of Research

Dr. Heddwen Brooks,
Professor and Chair, Department of Physiology,
School of Medicine

Dr. Chris Rodning,
Professor, Department of Anthropology

**All students,
faculty, and staff
are welcome**

Wednesday, April 16, 2025

11 am – 12 pm
